Dear Sir,

Thank you for your letter of the 23rd addressed to Dr. Costlay-White. He asks me to acknowledge it.

I shall hope to arrange that one of the Sub-Committee visits you in the autumn. I wonder if at the same time you would care for an address to your students?

Please do not bother to answer this letter now as I will write again nearer the time.

I enclose a list of Miss Mason's books which I think you will like to have.

Yours truly,

Secretary.

Dear Madam,

Many thanks for your letter of the 14th addressed
to Dr. Gostley-White. He asks me to acknowledge it.

Thank you very much for saying you will allow
one of the members of the Sub-Committee to speak
at your College on Miss Mason's methods. Perhaps
I may write to you again later on when I know what
dates would be convenient. It may not be possible
to fit it in during the summer term.

Dear Sir,

I have been making enquiries and find that a member of the Sub-Committee, about which I wrote to you, will be very glad indeed to visit the College, but that this will not be possible until the autumn. I hope that will suit you well. The summer term is a very busy one for us.

Please do not trouble to acknowledge this letter. I will write again nearer the time.

Yours truly,
